Northwoods Park Playground Renovation Ribbon Cutting

Citrus Heights, CA – The Sunrise Recreation and Park District is holding a ribbon cutting ceremony for the newly renovated Northwoods Park Playground on Tuesday, November 12 at 11:00AM.

The new playground replaced an old donated playground that the District received from BURGER KING some 20 years ago.

Inspiration for the replacement and design of the new playground came directly from children ages 3-12 living in and around the surrounding neighborhood and those children will be present and recognized at the ribbon cutting.

This event is open to the public and will include presentations from local dignitaries, a ribbon cutting ceremony and a Free BBQ Hot Dog Lunch provided by McKiernan Realty.

“We are truly building a community and a neighborhood we can be proud of. It has been amazing to get the kids and neighbors all together. Being involved in the planning and details of this park has been a great experience. They are so excited to see what they helped create. I’m sure that this park is something they will cherish for many years to come.” – McKiernan Realty

Northwoods Park is located at 8236 Old Ranch Road in Citrus Heights, 95610.
